

TREATMENT STUDY FOR HEEL PAIN IN CHILDREN

We are conducting a treatment study for children and adolescents (**age 7-17**) who have heel pain with walking, running, jumping, or sports

- Study includes evaluation of your foot and ankle. Treatment includes 3 months of supervised exercise therapy, education, and a home exercise program.
- You will be compensated for participating and the treatment is at no cost to you or your insurance.
- To be eligible:
 - Must be age 7-17 years old.
 - Must have heel pain for at least 3 weeks.
